WINES
OF
SOUTHERN
ITALY

NAME

Greco di Tufo

DENOMINATION

Denomination of
controlled and
guaranteed origin

REGION

Campania

GRAPE VARIETY

Greco di Tufo

TRAINING SYSTEM

Trellis system with
guyot pruning

PERIOD OF
HARVEST

October

SOIL COMPOSITION

The soil derives from the
decomposition of day rocks
over thousands of years and
are highly rich in calcium.
This gives the wine its perfume
and complexity

WINEMAKING

Light pressing of whole
clusters, cold static
clearing, fermentation with
selected yeasts

FINING

Steel

FOOD
MATCHING

Specialties, fish soups,
grilled fish

SERVING
TEMPERATURE

10°

ORGANOLEPTIC
CHARACTERISTICS

Intense and brilliant color,
fragrant notes, fruity, fresh
and balanced flavor. Intense
and wide perfume, soft and
persistent with hints of
tropical fruit and cedar
